

# Fly Paper

## February 2016

The annual TAI Swap Meet is a little over a month away and all hands are needed on deck. Please mark your calendars for both March 18 and 19 to help with the event. This is the largest investment in time the club will ask of its members and it brings in the most money for the club. This event helps our club maintain such an incredible flying field and keeps our dues low. Friday, March 18 the club will ready the building at 1:00pm at the Fair Grounds. The building will be cleaned and tables/chairs will be set up. Meet at the Bar-B-Que center at noon for lunch before the setup. Saturday, March 19 club members are asked to meet at the Fair Grounds at 6:30am to help vendors set their products on their tables.

Don't forget to change your information card inside each of your R/C planes, helicopters, or drones. Once you register with the FAA, your new FAA Registration number should be included along with your AMA # inside your R/C equipment. Don't forget your name, address and phone number.

For more information on the FAA registration process, go to:  
<http://www.faa.gov/uas/registration/faqs/>.

### President's Message

TAI yearly dues are due now. The yearly dues for existing TAI members are \$72.00. Please pay at this month's meeting by check or cash, or mail your payment to Mark Fansler, 130 Middle Creek Court, Lexington, NC 27295. After this meeting, anyone not renewing their membership will lose that membership and open a spot for possible new members.

We have a new "prior member" by the name of Dave Thomison wanting to join our club. We will be voting on his membership at this month's meeting.
