AMA Chartered Club # 4095

38 36'25.61" N 75 53'06.52" W

6035 Shiloh Camp Road Hurlock, MD 21643

Dear Member,

Spring is here, the field looks great and folks are out and about. I think I noticed a bit more sarcasm than normal at the field on Sunday. Just remember that in our club, sarcasm is reserved for our special friends.

At one point, we had control line, IMAC practice, foamy jet and a student on the buddy box. Brings a tear to the eye that we are all coexisting so well - or is that just allergies?

Keith reports that the new solar charger should be operational in a week or so. Looking forward to more juice. We had our 12 volt system all the way down to 12.7 volts on Sunday - near crisis.

So below are a few of the photos I took on Sunday (yesterday).

A reminder that next club meeting will be at the field with our Treasurer Jack Rosemere in charge. Duane and I will be goofing off at Joe Noll instead of tending to our club duties.

See you at the field-

**Jack Upchurch**

## Club Calendar -

## A meeting was called to order . . .

At 7 pm on April 8 in the Old Hurlock Train Station- due to rain, the field meeting was moved inside.

The Treasurer reported balances of \$2,000 in checking and \$3,035.87 in savings. Members paid up count is up to 44.

New members and visitors were welcomed. Eric indicated that he planned a couple of member friendly events for the Fun Fly.

With so much focus on the FAA and members needing to comment on the proposed rules, a new concern has emerged - State regulation.

Members are encouraged to keep seeking to educate family and friends about safe flying, becoming AMA members and adhering to safety rules no matter where you fly.

Eric is interested in posting blog content of interest to Beginners on the new District IV website. He has been added to the list - the site is under construction but can be viewed at <http://www.ama-d4.org/> . It is hoped that this site will become a major source of information to those in our area. Check it out and let us know what you think.

There being no further business, the meeting was adjourned at 7:39 pm.

## About Eastern Shore Aeromodelers Club

We are an AMA chartered club, with membership open to those with an

interest in things that fly. Check out our website, come to the field and watch us play with our toys, and join us if you like what you see.
