From the President's Hangar

It's hard to believe that October is here already, where has the year gone? As we all know this is a busy time for flying events of all kinds, so let's support other clubs as we go through this month and beyond. We will have our "Warbirds over NC" event on October 28, so you all know the drill, help with cooking and concessions, registration, trash removal and other stuff! Please let us know if you can help. We plan to cook BBQ chickens this event.

Hurricane season is still in full swing with storms in the Atlantic and Maria just brushing the outer banks! I hope no more show up this year! Please keep all that have been impacted by storms in your prayers!

We will have our October meeting at Golden Corral on Thursday, October 5th and I urge all of you attend this meeting as we will be voting to raise our dues by 66.667% or from \$60 to \$100 per year and the same percentage will apply to family membership which translates to \$120. Associate membership will be 1/2 of full membership as per by-laws. We discussed other changes and decided to keep the by-laws as they are now. Please come and vote!

That's all for now!

Field Report

Hello to everyone,

Most of the summer, this year, everyone has been busy I guess. The last few weekends, however, there seems to have been quite a few at the field, and that has been nice to see. Everything seems to be OK, since most of the tasks at the field have been completed, and I thank the ones that were able to come out and help.

So, come on out and use your field,

A.B. Gentry, Jr.
