## From the President's Hangar

What a HOT July it has been!! I have not flown much at all for a couple of months now. I did visit the field this Sunday and was pleased to see how good it looks after the hot weather. Thank goodness the grass has recovered nicely. I know the corn is an issue for some but it will be down soon (I hope). Not much to report this month, but our AMA Fly in is only a month away, so we need to discuss it at this meeting, since this will be the only meeting before the event on September 2nd, 2017!! **Please try to attend this month's meeting at the Golden Corral, August 3rd at 7:30 pm.** Come early to eat!! I hope to see you all there!

That's all for now,  
Wheels down for landing!

Minutes from June meeting read by Joey Joyner. Motion made by Mike Winstead & seconded by Chuck Megar to accept minutes. Motion passed.

Jimmy Morgan gave Treasurer's Report.

Safety Report – Double-check to ensure proper control surface deflection direction before flight – especially on maiden flights. It is recommended that members not lose their plane in the corn field.

Newsletter Report – Dave Chewing had nothing to report.

Field Report – A. B. Gentry gave report. Have list of items to address (see minutes from last meeting), but weather has not cooperated. AMA partnered with Army Corps of Engineers to help clubs find flying sites. DESS (Down East Soaring Society) has recently lost their field. Now flying at field in Farmville.

Past Events – Nothing reported.

General Business – Mark mentioned that we still need to have a discussion concerning a dues increase. A general, high level discussion around dues,

member fees options, and bylaws took place.

News reports about drones interfering with aircraft fire drops was discussed. Firefighting aircraft were grounded putting ground firefighters in greater danger and allowing wildfires to burn out of control.

It was mentioned that the Federal Registration Number for model aircraft no longer applies (pending outcome in courts), but those who received a number should hold on to it.

Upcoming Events – RDRC "Blast from the Past" vintage aircraft fly-in on July 15<sup>th</sup>.

Motion to adjourn meeting made by Joey Joyner with Mike Winstead seconding. Meeting adjourned 8:39 PM.

Respectfully submitted by Mike Jablonski – acting Club Secretary for Kenny Kicklighter.
