The official 2018 year is here and we expect a great year. Congratulations to Chuck Mager as our new VP/ Safety officer. I know he will do a great job! As for the other officers, welcome back for another year.

The club meeting will be at Golden Corral on February 1st, at 7:30, come early to eat , room is reserved for 6:30. Hope to see you ALL there!!

**Your AMA and club dues are due NOW!! Please mail a check made out to Tarheel RC Flyers and bring it to the meeting or mail it to Jimmy Morgan, 1053 Arbor Lane, Rocky Mount, NC 27803 asap!**

We need to discuss field preparation such as fertilizer and weed killer at this meeting so we can get it done on time this year. The wind sock will have to get installed before the spring fly in. Some building enhancements may be discussed as well.

Please keep Mike Adams wife in your prayers as I just found out she is in Pitt Memorial with blood clots in her lungs. We also hope Chris Vick's wife continues to heal after her surgery.

Swap meets are almost here and we have six tables reserved for the BARKS meet February 24th. Newport News Swap meet is February 10th.

Attached are flyers for our three events this year so save them so you can print a few and spread the word. Thanks.

That's all for now,  
Wheels down for landing!!

Hello to everyone,

There is a lot of activity at the field these N. C. weather changing days... there was a Sunday two weeks ago...25 people showed up after the big freeze, and the thaw. What an afternoon! A visitor wanted to know if this was the first fly-in this year...
