## **IGNITER**

Dear Member,

It is Holiday Season again, and rather than being late with the newsletter, I am sending it out early. One of the main reasons for this besides eliminating the possibility of my getting busy and being late is that Buddy Scott has ended up in the hospital for more than a week with some sort of mysterious stomach problem and will be there over the Thanksgiving holiday. I wanted members to have the option of calling Buddy. At the moment, he can be reached via phone through the hospital phone system:

**Ocello Scott (his real name) and the phone number:**

**(302) 674-4700 Room 2320**

During the Holiday Season, we all have reason to reflect on our blessings- especially the people in our lives that matter. No matter which holidays each of us celebrates, the sentiment is similar when it comes to people in our lives and blessings we enjoy. If you know Buddy, then consider giving him a call.

Once again, a new year is coming our way and it is time to remind folks that our custom is to have a 'pot luck' dinner meeting in December at the Train Station. We invite members and their guests to attend and occasionally we even have guests at the meeting. A normal club meeting can last from 5 minutes to 30 minutes while this December Meeting can take almost an hour. There isn't much business to conduct during the winter, so we usually just enjoy the food and friendship. We don't meet for pizza before this meeting for obvious reasons. Mark your calendars for December 11 at 7pm.

See you soon,

Jack

---

## A Meeting was called to order on . . .

November 13, 2019 at the Train Station at 7pm with 11 members present. The Treasurer reported \$875.63 in checking and \$888.12 in savings. The cash balance was discussed and members were informed that the old field rent had been paid and that there was a deposit of member renewal dues to be deposited after the meeting. Thanks to members renewing early, the club will meet its obligations at yearend and look to rebuilding a cash reserve next year.

The slate of Officers as nominated in October were voted in by a show of hands

of the members present. Next year's officers were approved by the membership and a majority of the Board. President- Jack Upchurch; Vice President- Duane Lundahl; Treasurer- Jack Rosemere; Safety Officer- George Fox.

The condition of the new field was discussed. Feedback from the jet pilots was that the field was flyable but that small wheels in the uneven grass posed some issues for some models. Discussions were had about various options including waiting to see what grows in next Spring and then possibly tilling and smoothing if necessary. Jim Cockran updated the group on his plan to create a smooth field roller out of a 500 gallon propane tank to be filled with sand or water/antifreeze. It was felt that the ribbed roller was helpful but created grooves in the field that a smooth roller would not.

There being no further business, the meeting was called to a close at 7:22.

---

## **The Official 2019-2020 Club Calendar- Check the website for more up to the minute schedule changes.**

- December 11 - Christmas Party Meeting 7pm — at the Train Station - potluck
